

Academic Project Guidelines

1. Students pursuing B.E./B. Tech./M.E./M.Tech./MCA/M.Sc. may apply for the academic project at IPR. Duration of the project should be at least for 3 months for UG and 6 months for PG; and it should be a full-time activity. However he/she can go for attending viva/presentation at the College / University with a prior permission from the IPR Project Guide.
2. **Application for the Internship / Industrial training would not be entertained by IPR.**
3. Students should refer IPR website for the available academic projects. At a time student can send his/her application (along with duly filled annexure-II) for one project only. The Head of the Department (HoD) of the college/Institute will forward student application along with a request note to the respective project guide and the subject coordinator through their official email address. **[Please refer Annexure-II]**. In case recommended student(s) get selected for project work at IPR, the Head of the Department has to issue a Certificate of Undertaking. **[Please refer Annexure-III]**
4. Number of students per branch per College/University will be decided upon the availability of projects at IPR.
5. IPR administration will provide an I-card. **Project students shall not be allowed to work at IPR without I-card.**
6. Subsidized food coupon would be provided to the project student. **NO other facilities (e.g. Transport and accommodation etc.) will be provided by IPR.**
7. At the end of the project, it is mandatory for the student to submit a written report duly signed by the IPR project guide as well as make a presentation at IPR.
8. On successful completion of the project, a certificate will be issued to the project student.
